Featured Sites

If your site is open to all AKO users and you would like for us to feature it here, please click on the "Send Feedback" button and send us a link to your site and a short description.

- The [Department of the Army Intelligence Information Services \(DA-IIS\)](#) has roadmapped the Internet by country. Each Internet Country Page contains government, commercial, organizational, media, news, educational, social, economical, communications, transportation, travel, military, and history links.
- The [Asymmetric Warfare Group](#) (now recruiting!) is designed to be a small, flexible, rapid-response team that will conduct multiple simultaneous deployments.
- The [Army Open Source Program Homepage](#) is the place for Army Open Source managers and users to share information about Open Source Information (OSIF) and Open Source Intelligence (OSINT).
